

2020 Online Summer Course

Physical, Political, Environmental and Social Geography of Ireland

Course Ref: 309

This course brings you on a virtual geographic tour of Ireland. It varies from the standard physical geography to the social geography of our wonderful place in this landscape. It looks at our geographical heritage as well as the physical heritage and places figures from history in the geographic context.

Early Bird course fee €59.

Early bird offer only available until the 29th of June, after this date course price will be €69
(fee non-refundable)

Please note there will be no multi course discounts this year.

Course eligible for EPV days.

Course will run from 1st July - 14th of August.

Course will have a maximum capacity and is subject to availability, so book early!
