

2020 Online Summer Course

Making Music in the Classroom

Course Ref: 314

This course aims to give teachers enhanced skills in teaching music effectively in the classroom in order to encourage an appreciation for music in their students. Also to develop an awareness of linking music with other curricular subjects and enhance knowledge of musical terminology, genres and origin.

Early Bird course fee €59.

Early bird offer only available until the 29th of June, after this date course price will be €69 (fee non-refundable)

Please note there will be no multi course discounts this year.

Course eligible for EPV days.

Course will run from 1st July - 14th of August.

Course will have a maximum capacity and is subject to availability, so book early!
