MAY 2021

## Message from Director

A Chomhleacaithe,

As we move into the final part of the school term I would like to thank you sincerely for all of your engagement over the past academic year. In the month of March alone we had almost 3000 teachers engage in our elective CPD provision. This is a fantastic reflection on our profession and the dedication of teachers to their own learning deserves to be celebrated and commended to a much greater degree than is currently the case. I hope you find value in our offering for May and as always I look forward to supporting your requests for relevant needs.

Dea-ghuithe,

Dáithí Mac Thaidhg
